

There's a funny little boy  
By the name of Drew.

A funny little boy,  
Who knew how to chew.  
He took a bite of some  
chewing gum.

He smacked his lips,  
And began to hum.  
Then he blew and blew,  
And the bubble grew.  
Chew! Chew! Chew!

For the tune to this song, search *Little White Duck*, by Raffi.
