RULE BREAKER ALERT!

**No word in the English language ends with a v.
If a word ends with the sound /v/, it is spelled with a v-e.**

If it doesn't make a word you know,
just flip the vowel sound.
Make it say its short vowel sound.

have ?

If it doesn't make a word you know,
just flip the vowel sound.
Make it say its short vowel sound.

give ?

If it doesn't make a word you know,
just flip the vowel sound.
Make it say its short vowel sound.

love ?

gave

live*

We can flip sounds from what
we'd think would be a short
vowel sound to a long vowel
sound, too.

wild*

We can flip sounds from what
we'd think would be a short
vowel sound to a long vowel
sound, too.

cold*

We can flip sounds from what
we'd think would be a short
vowel sound to a long vowel
sound, too.

find*

We can flip sounds from what
we'd think would be a short
vowel sound to a long vowel
sound, too.

most*

We can flip sounds from what
